SERVICES

Our service offers a comprehensive solution tailored to your individual preferences and requirements. Choose up to three horses from our compiled offer based on your criteria, and let us carry out thorough on-site inspections, test rides and objective assessments on your behalf. You will receive all relevant information and high-quality videos promptly. Our independent, impartial assessments give you clarity and confidence — and we are always available to answer any questions you may have.

HORSE RESEARCH

Requirements for the desired horse: price, discipline, pony or horse, breed, size, age, training, gender, colour and desired purchase date.

TEST RIDES

Choose up to three horses from our carefully selected list. We personally visit the breeder or owner for thorough testing and create a full image and video report for each.

EVALUATION

Results are summarised together and evaluated for your decision. If needed, further horses can be shortlisted and tested.
